Tripod Carrying Case

Soft padded, heavy-duty design

Soft padded tripod case to house any antenna tripod and mounting adapters.

Features

- High quality, water-resistant, impact-resistant
- Compatible with either the ATU-510 or the ATU-514
- Easy to carry shoulder strap
- Lightweight and durable wooden legs

This lightweight tripod carrying case can be held by hand or hung on your shoulder, making it convenient to use during transportation. Since both ends of the strap are fixed, it can be carried stably even in the vertical direction. With thick cushioning material this tripod carrying bag can safely carry our large wooden tripod (ATU-510) with the Azimuth and elevation head (AEH-510) attached. Zippered interior and exterior pockets for accessories

Height: 47" (120 cm)

Max Diameter: 7" (18 cm)

Weight: 2 lbs. (907 grams)
